

32nd Young Research Fellows Meeting
32^{èmes} Journées Jeunes Chercheurs
- S.C.T. meeting -

Société de Chimie Thérapeutique

PHARMACIE
Santé

Université Paris Cité

Faculty of Pharmacy, Paris-Cité University

Paris, France – February 26th-28th, 2025

This meeting brings together about 250 young European scientists and gives them the opportunity to present their most recent results. The topics presented cover all aspects of medicinal chemistry: *chemical biology, chemoinformatics, SAR studies, ADMET, imaging, physical chemistry, biolabeling and diagnostic tools, drug vectorization, nanotechnologies, natural products, synthetic methodology, etc...*

Don't miss the registration deadline:

January 21st, 2025

Registration fees: 50 euros.

Payment by CB is mandatory for your registration's validation
Contact us for payment by bank transfer or by purchase order

Please register on the website: www.sct-asso.fr/yrfm.html

Confirmed plenary lectures

<i>Fatima Clerc</i> (Paris-Est Créteil, FR)	<i>Zacharias Amara</i> (Paris, FR)
<i>Elias Maccioni</i> (Cagliari, IT)	<i>Olivier Baudoin</i> (Bâle, CH)
<i>Anne-Sophie Voisin-Chiret</i> (Caen, FR)	<i>Pedro Ballester</i> (London, UK)

Confirmed keynote lectures

<i>Pietro Scio'</i> (Rome, IT)	<i>Laura Iannazzo</i> (Paris, FR)
<i>Etienne Brachet</i> (Paris, FR)	<i>Karine Barral</i> (Marseille, FR)

Career session including personalized simulations of job interview and lecture given by
Axel Straube (editor-in-chief, ChemPlusChem)

Awards: The best oral communications/ flash poster communications will be awarded allowing young scientists to attend international meetings.

Lodging: SCT aims at promoting excellence in drug discovery in the largest audience. In line with this consideration, low-cost rooms are available on our web site, and you can book a double room for 2 nights for only 50 euros!

Please feel free to contact the organizing committee:
